WASHLET® S5 Elongated Bidet Seat

Good

S5 Washlet
#41820 (SW3446#01)

Luxury meets sustainability in the WASHLET S5, which showcases a refined tankless profile that's 19% slimmer, reducing material use. Endless warm water, PREMIST® for a cleaner bowl, and EWATER+® to cleanse the wand elevate hygiene and comfort. A heated seat, warm air dryer, nightlight, and intuitive remote offer personalized settings for four users.

TOTO WASHLET

FEATURES:

- High-tech electronic bidet seat
- EWATER+® auto-cleans wand after every use
- PREMIST® automatically mists the bowl before each use
- Self-cleaning wand cleans itself inside and out before and after every use
- CLEAN RESIN® keeps wand and seat cleaner, more hygienic, and effortless to maintain
- Gentle aerated, warm water, front and rear spray with oscillating and pulsating features
- Adjustable spray position, water temperature, and water pressure
- Instantaneous water heater for continuous warm water and energy savings
- Automatic air deodorizer
- Warm air dryer with three variable temperature settings
- Multifunction remote control with personalized memory settings for up to 4 users
- Heated seat with temperature control
- Seamless seat design eliminates the gap where dirt collects
- SoftClose® seat
- Docking station for easy cleaning and installation
- Night light illuminates the inside of the bowl
- Auto energy saver mode adjusts the seat temperature when inactive
- Compatible with most elongated toilets

- PREMIST® automatically mists the bowl before each use
- Gentle aerated, warm water, dual-action spray with oscillating and pulsating features
- Adjustable spray position, water temperature, and water pressure
- Instantaneous water heater for continuous warm water and energy savings
- Automatic air deodorizer
- Warm air dryer with five variable temperature settings
- 4-users' personalized memory settings
- Docking station for easy cleaning and installation
- Heated seat with temperature control
- Multifunction pearl white block-style remote control
- Night light
- Seamless seat design eliminates the gap where dirt collects
- Auto Flush capable with optional auto flush kit when installed on select TOTO toilets only

WASHLET® G5A Integrated Smart Toilet 1.2 GPF/1.0 GPF

Best

#810023
(MS7631CEMFG#01)

Meet the G5A — TOTO's WASHLET+ smart toilet. It features a compact, modern design, as well as our TORNADO FLUSH® system that uses an efficient 1.2 or 1.0 GPF. Complete with CEFIONTECT® ion barrier glaze and a larger water spot, the G5A minimizes debris from sticking to ceramic surfaces, keeping your toilet cleaner, longer.

FEATURES:

- High-efficiency dual flush functionality 1.2 GPF / 1.0 GPF
- TORNADO FLUSH® system utilizes 360° cleaning power to reach every part of the hole-free rim design bowl
- Auto flush with back-up manual flush for power outages
- Auto open/close lid
- PREMIST® automatically mists the bowl before each use
- CEFIONTECT® ceramic glaze minimizes waste from sticking to porous ceramic surfaces
- Gentle aerated, warm water, dual-action spray with oscillating and pulsating features
- Instantaneous water heater for continuous warm water and energy savings
- Adjustable spray position, water temperature, and water pressure
- EWATER+® auto-cleans wand
- Seamless seat design eliminates the gap where dirt collects
- Warm air dryer with five variable temperature settings
- Automatic air deodorizer
- Automatic and programmable energy saving systems
- Multifunction remote control with 4-users personalized memory settings
- Universal Height, ADA compliant
- Night light
