MEGAPRO DRIVERS

The Original #37696

The most popular Megapro® driver! Loaded with 7 double end professional quality bits, this assortment provides the 14 most popular tips for driving screws. Shaft opening serves as a 1/4" hex driver.

Tamperproof #37697

This 15-in-1 is a must for all commercial and industrial tradesmen. The Tamperproof assortment includes the most popular security bits, including Spanners, Hex Pins and Torx Pins. Shaft opening serves as a 1/4" hex driver.

ShaftLOK #37698

Locking shaft eliminates the danger of bits falling out of the shaft when getting partially stuck in the fastener. 6" and 10" locking extensions get you into hard-to-reach places. This 15-in-1 driver holds 7 double end professional quality bits, including the most popular tips for driving screws. Shaft opening serves as a 1/4" hex driver.

Ratcheting #37702

This 13-in-1 ratcheting screwdriver delivers over 225 inch lbs of torque strength. Precision 28-tooth ratchet design with rubberized cushion grip makes driving faster and easier. Loaded with 6 double end professional quality bits including the most popular tips for driving screws. Shaft opening serves as a 1/4" hex driver.

HVAC #37710

Perfect for the American HVAC installer, this driver is loaded with 6 double end bits including the Schrader Valve Stem bit, and the DoubleLok Phillips #2 Combo bit which can be used in any 1/4" quick change chuck. It also features a Square Awl Reamer for punching through sheet metal. The shaft opening that serves as a 1/4" hex driver makes this a 14-in-1 specialty driver.

Precision #39339

This precision screwdriver is designed specifically for those working with (and on) electronics, technology, security, jewelry, and any other repairs in a "micro" environment. This screwdriver comes with 24 of the most popular precision bit tips – all conveniently stored in the Megapro Patented Retractable Bit Cartridge!

"CLOSED FOR MAINTENANCE" SIGN

#37909
18" x 12"

Highly visible alert for use during repairs or cleaning in a restroom or other indoor area. The tension rod secures the sign in doorways up to 60" wide. Rubber grips on the ends of the rods help hold it in place. Ideal for schools, offices, or any other commercial facility. The sign measures 18 inches wide x 12 inches tall.

BLOCK-AIDE - For Restroom Stall #16764
 4-5/8"H x 3"W x 1-1/2"D

This clever item slides down between the pilaster and partition door to lock patrons out of a stall that is out of service. It's an effective, sanitary, and more attractive way to keep customers out of a stall without them seeing why it is out of service. It is made of ABS resin which protects it from chipping or cracking if dropped. Fits most partition doors.
